DISTRIBUTION OF GROCERY KITS FRONTLINE WORKERS OF THIRUVOTTIYUR CORPORATION

In the wake of spreading of Novel Corona virus in India and its declaration as pandemic by the World Health Organization (WHO), the Government of India declared this contagious disease as a Notified Disaster. To contain further spreading of Corona virus in the country, Government of India imposed total lockdown from 21st March 2020 onwards.

In order to support frontline workers of Chennai Corporation, zone - 1, Thiruvottiyur procured and distributed 1100 Nos. of grocery kits containing Rice, Tamarind, Oil, Sugar, Red gram, salt, Turmeric powder, Bombay Ravva & Nose masks. This program organized at V. Ramakrishana Polytechnic College.

During distribution, Government authorities praised the services rendered by the frontline workers during the most needy hour. Our JMD madam, State Minister, Municipal Corporation Commissioner and other dignitaries have attended the program and created awareness among frontline workers on the dangerous effects of Corona Virus (Covid-19) and the measures to be taken by each individual to control its spreading

SUPPORT TO SRI. V. R. POLYTECHNIC COLLEGE

As a part of our CSR initiatives, keeping in view the importance and necessity of quality technical education and promotion of skill development programs for poverty reduction, we have supported Sri.V.R. Polytechnic college, Tiruvottiyur. Increased training capacity and improved infrastructure to technical institutes will enhance quality of training to students. For this purpose, we have procured 20 desktop computers with updated software & hardware technology for Computer Engineering department. With this, every year 200 students and around 40 school dropout were trained in software & hardware courses.

For improving practical knowledge to Electrical & Mechanical students, procured Control panel boards, Shunt motor with spring balance, motor speed indicators, Transformers 3KVA / Phase etc. With this, every year 270 students and 20-30 dropouts are getting trained.
